### **4<sup>th</sup> International Conference on Polyamines Biochemical, Physiological and Clinical Perspectives**

**September 4th - 9th, 2016**

**SAPIENZA University of Rome & Tivoli(Rome), Italy**

### **ICGEB Travel Awards**

#### **Award Overview:**

The international Centre for Genetic Engineering and Biotechnology (ICGEB) is offering travel awards to junior scientists (Students, postdocs, or early career scientists) who are nationals of an ICGEB member country (Click here <http://www.icgeb.org/member-states.html> to view a list of member countries). The Scientific Advisory Committee will select the award winners and provide awards ranging from € 350 - 550 on the basis of financial need, scientific merit, and the potential

benefit for future career development.

### Steps To Apply:

- **Submit Abstract** - To qualify for consideration for an ICGEB Travel Award, abstracts must be submitted to the meeting through the regular abstract submission process. Applicants must be the first author on a submitted abstract.
- **Complete and Submit the Application** - Provide your contact information and answer questions about yourself. Each applicant must complete this application separately.
- **Send Letter of Recommendation** - A letter of recommendation from the principal investigator/advisor must be submitted with this travel award application. Address the letter of support to "ICGEB Travel Award Review committee." The letter should address 1) the junior scientist's need for financial assistance to attend the meeting, 2) how the meeting attendance will benefit the junior Scientist's professional development, and 3) the scientific merit of the junior scientist's work.

### How to Send Your Letter of Recommendation:

Your advisor will be sent a URL through which he/she can directly submit a letter of recommendation.
